Leave Policy

Annual Leave

Employees are entitled to 12 paid leaves per year.

Continuous Leave

Employees may use their leave balance continuously, subject to prior approval and business requirements.

Leave Beyond Entitlement

Once the 12 annual leave entitlement has been exhausted, salary will be deducted at the rate of 1% for each additional leave day.

Weekly Off

Saturday and Sunday are official weekly holidays. These are fixed holidays and cannot be treated as working days to extend leave (for example, working through Saturday and Sunday and then applying for leave only on Monday and Tuesday is not permitted).

Maternity Leave

Women employees are eligible for up to 5 months of maternity (pregnancy) leave.

Medical Leave

Male and female employees may be granted up to one month of leave on valid medical grounds, subject to supporting medical documentation where required.

Availability During Extended Medical Leave

In exceptional situations involving urgent meetings or critical business requirements, employees on medical leave may be requested to join online if their health condition reasonably permits. Such requests will be kept to a minimum and handled with consideration.
